Attorney's Docket No. H569-02-A8-0001

COMBINED DECLARATION, PETITION AND POWER OF ATTORNEY

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

Improved Hydrostatic Transmission

☒ the specification of which

☒ is attached hereto.

☐ was filed on _____ as
Application Serial No. _____
and was amended on _____
(if applicable)

☐ which is described in international application no. _____ filed _____
and as amended on _____ (if any), which I have reviewed and for which I solicit
a United States patent.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by
any amendment referred to above.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code
of Federal Regulations, §1.56(a).

I do not know and do not believe that the same was ever known or used in the United States before my or our invention thereof or patented
or described in any printed publication in any country before my or our invention thereof more than one year prior to this application or
said international application, that the same was not in public use or on sale in the United States of America more than one year prior to this
application or said international application, that the invention has not been patented or made the subject of an inventor's certificate issued
before the date of this application or said international application in any country foreign to the United States of America on an application
filed by me or my legal representatives or assigns more than twelve months prior to this application or said international application and
that no application for patent or inventor's certificate on this invention has been filed in any country foreign to the United States of
America prior to this application or said international application by me or my legal representatives or assigns except as identified below.

I hereby claim foreign priority benefits under Title 35, United States Code, §119 of any foreign application(s) for patent or inventor's
certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before
that of the application on which priority is claimed: None
